Championship Show – 8TH September 2013
Judge: Mrs Natasa Davidovic (Retrievers of Golden Duck – Serbia)

CRITIQUE

It was a great pleasure and opportunity judging at NSWGRC Championship Show on Sept 8th 2013. I am most THANKFUL To the Club Committee for their kind invitation, and for fantastic hospitality! Thanks to all exhibitors for showing their dogs under me and big entry of 152 Golden Retrievers! I was very satisfied with the overall standards of your dogs! I did recognise influence from well known lines from GB, Scandinavia & some other European countries! Mostly dogs are with a beautiful natural happy temperament, good size of the dogs, top conditions, good coat quality, strong bone, kind expression, strong top lines! Most of the dogs have good movement with style & drive good steps!!! Mostly are well made and good balanced! Only a few had a lower set tail, little straight front angulations! It was a highlight for me, thanks for everything! With Kind Regards, Natasa Davidovic.
