

The Golden Retriever Club NSW, 04/09/16
Judge: Mr Liam Moran (Ireland)

It was a great honour to be invited to judge this show. I had a very nice day and enjoyed every minute of it. I would like to thank all the exhibitors for the sporting way they took my decisions, not easy to please everyone.

I found the standard of all dogs to be very good, also temperament, very good fronts and heads were good, thankfully not many with short legs. All dogs were nicely groomed and presented in very good condition with and without coat

A special thank you to my ring steward, Tony Tau, who kept the show rolling and made my job a lot easier on the day

Thank you to Jacquie and her husband for their hospitality, also all the committee for making my stay down under so special, I had a great time.
